

PRUDENTIAL

In order to be ready to sell Prudential products on February 1st you must:

- Complete Reg 187 training
- Complete Prudential product training: Term and Permanent (separate)

There are several options for the course, but found Kaplan to be simple and functional.

Make sure you set up a **NEW ACCOUNT** even if you already have an account with Kaplan.

Click here to go to Kaplan:

<https://portal.kaplanfinancial.com/partner/PruTraining/portal/create-account?redirect=>

Once on Kaplan's site with your **new account**, put in your cart:

1. Reg 187 training (if you have not taken it already)
2. Prudential Term Product Training
3. Prudential Permanent Product Training

Check out.

Take the classes.

Kaplan will email you certificates of completion and notify Prudential digitally.

Choose the **non-CE versions of the courses**, unless you want to go live or proctored.
